Why recycle more ?

CHEZ VOUS, TOUS LES EMBALLAGES SE TRIENT

Make the planet healthier

2 TONNES less CO₂

21 500 kms run in a new car

Equals

1 TONNE of recycled plastics

Equals

670 L less water

33 washing machine cycles

More recycled packaging for more reused materials

1 Tonne of plastic bottles

4 100 bottles of detergent

1 Tonne of cans

9 tins

The right actions

- Put your packaging straight into the containers (no extra bags needed)
- Do not put one package inside another
- No need to wash the packages, just make sure they are empty
